

Parking Lot Closure

In support of logistics needs, the parking lot adjacent to Ladd Avenue, next to the parking garage on the east side of Clay Kaserne, will be closed until further notice.

All vehicles need to be moved out of this parking lot.

The Directorate of Emergency Services will be contacting owners as necessary to assist in removing vehicles over the next 48 hours. Contact the Military Police traffic section at 548-7050 if assistance is needed in getting your vehicle moved.
